

Satsang with Prajnaparamita

Dialogues and self-enquiry on
love, truth, peace and freedom

Edinburgh
14 - 16 November 2014

*Look within and see that you
always have been free*

Prajnaparamita is an awakened Master, travelling the world giving satsang and retreats, inspiring all who are longing to awaken to their inherent Buddha nature.

Her teachings are no teachings really. In the togetherness of the satsang, in her response to questions being asked about all aspects of life, there is a spontaneous expression of universal truth, as an ongoing encouragement to come to rest in the clear light of awareness.

All are welcome to experience these provocative, direct and deeply moving gatherings. Questions can be asked or one can just be present in silence. The real meeting is beyond all words, the real meeting is in the silence of the heart, where all differences merge in One.
